## **About This Game**

### **Set your mind free**

You were kidnapped by aliens and your mind is the only weapon that you can use against them. Solve the puzzle, outsmart your oppressors and save yourself, save the world!

### **Challenge your mind!**

Test your brain sharpness in six different levels. Use your dexterity, concentration, perceptivity and think out of the box to complete'em all!

### **Real fun - Real tests**

All of the tests was prepared based on cognitive and rehabilitative clinical trials in cooperation with Medical Doctors.

Improve yourself!

Raise your skills - compare your scores with the players from the whole world, with your friends and your family. Can you beat them and show the real power of your mind ?
